Dress_Code armchair inspired by the principles of bespoke tailoring, from £350, S-CAB

MIX & MATCH

This modular piece is the Orlando from Danish design company Bolia. The sofa can be customised to your exact requirements (there are left- and right-hand corners, an armless back and an ottoman). It all comes in 16 durable outdoor fabrics, and the covers are removable for easy cleaning. Modules from £825. bolia.com

art attack

Top *Dark Planet*, an outdoor sculpture formed of smooth black pebbles by renowned British sculptor David Harber.

Above Coming up at the RHS Chelsea Flower Show in May, landscape architect Patrick Clarke has created this show garden for The Children's Society to highlight the UK's youth mental-health crisis. **Below left** *Heron* by Vanessa Lawrence, made using galvanized wire and steel.

Below right *Flo*, also by David Harber. A bronze sculpture using the artist's innovative hot patination finish
